ESG SCORE: B

Good level of Sustainability

Company with a good level of compliance with ESG principles, in line with national and international best practices.

The ESG Score complies with the international standards (Global Reporting Initiative, European Sustainability Reporting Standards and Sustainable Development Goals) and considers the most important, material and significant aspects relating to Environmental, Social and Governance factors.

ESG Score represents the evaluation of the compliance to ESG principles (Environment, Social, Governance) of a business, taking also into consideration industry sector and country/region.
